Tuesday Junior Lesson Series

Program Overview: The Tuesday Junior Lesson Series is open to ALL Hawks Landing members and members' children between the ages of 5 and 14 who are interested in golf and want to learn more about proper golf fundamentals. This series of group instruction sessions will provide your child the opportunity to increase their golf knowledge in a safe, inviting, and comfortable atmosphere. Groups are determined by age and are limited to a maximum of 36 juniors in each group (maximum of 6 golfers per instructor when broken into groups). We will increase the juniors' golf IQ through etiquette sessions and a wide variety of instructional activities and drills.

Routine: Please meet at the putting green at least 10 minutes prior to your junior's scheduled lesson time. The instructional staff will greet the junior golfer(s) and hand out weekly name tags.

Cost: \$140 per child for Hawks Golf members or \$175 per child if not a Hawks Golf member.

This price includes all sessions listed below, including our 2022 Junior Golf Closing Skills Competition which is tentatively scheduled on Tuesday, August 2 (pizza following in the clubhouse). The cost is all inclusive and you need not call us if your child cannot make one or more sessions. We will assume that through sign-up, you will be present at the dates and times listed below.

Rain Outs: Please call (608) 848-4295 ext. 201 no more than 45 minutes prior to your junior's group lesson time on rainy days to determine if program activities will be canceled for that day. We will do our best to accommodate all dates, but we will err on the side of caution during inclement weather.

We are confident all junior golfers will be respectful, appropriate, and courteous during our Junior Lesson Series. We just want to remind all parents that during our lesson series, there will be moments where we will be on the golf course either learning course etiquette or possibly conducting small competitions. Please reiterate to your junior golfers how important it is to always remain level-headed and keep a positive attitude at the golf course.

Whether it is on the practice facility or the course itself, we expect each junior to conduct themselves in an honorable and respectful manner. If we encounter any inappropriate behavior or poor etiquette, there will be follow-up by the professional staff, and we will reach out directly to the junior's parent(s).
